

SLA Yorkshire and Humberside Branch

Copy and Paste Generation

Thursday, 8th December with Sarah Pavey
The Bar Convent, 17 Blossom Street, York, YO24 1AQ
09.15 – 16.00

INTRODUCTION TO THE COURSE

Using the internet for research has many benefits but it can also encourage a 'cut and paste' culture. As custodians of a vast pool of information resources and material, it is essential that school library staff have a good all-round knowledge of Copyright and Plagiarism legislation so that they are able to respond to questions raised and identify infringements if they occur. This highly practical course will concentrate on understanding the importance of academic honesty, what constitutes plagiarism, spotting offences, including online solutions such as *Turnitin*, and teaching referencing styles. It will cover activities such as photocopying, loans of DVDs, software and downloading images from the internet, licences and the penalties imposed on students if they are 'caught out' in public examinations.

BENEFITS OF ATTENDING

This course will enable you to :

- Understand what is meant by plagiarism and why some students choose to cheat
- Learn simple exercises to use with your students to teach academic honesty
- Help to formulate an Academic Honesty policy for your school
- Be aware of current copyright legislation

WHO SHOULD ATTEND? School library staff and teachers in secondary schools

WORKSHOP LEADER

Sarah Pavey MSc FCLIP

Sarah is an independent trainer and consultant for school libraries and has worked as a school librarian for over 15 years both in the independent and maintained sectors.
