

## Course description

This training day will help you to understand and use the new framework and is an ideal starting point for those responsible for secondary school library provision. Suitable for those responsible for secondary school library provision and those requiring further, practical understanding of the self-evaluation process for secondary schools.

## Expected learning outcomes

- Understand the importance of the school library in complementing the school's reading and learning agenda
- Clarify the role of the library within the context of school development and Ofsted inspection
- Be better equipped to use outcomes-based planning to ensure the appropriateness of library activity
- Be equipped to use evidence of successfully achieved learning and reading outcomes as a source of powerful library advocacy material
